Remote Control -

A remote control system can be retro-fitted to your Sherborne GSL stove. This system allows convenient control of the stove, room temperature regulation and the advantage, to be programmable to enable switching on / off by a timer function*.

* Note - Pilot must be lit manually before function of remote control is operational.

Part Code -
REMOTESHB

Paint -

Matching aerosol paint to tone in any connecting flues, pipes or surrounding metalwork.
Tracery -

Gothic style door traceries are available to suit any room.

Part Code -
TRACESHB

Add On Canopy -

A traditional raised add on canopy is available for your Sherborne GSL stove to complete the authentic look. The canopy can simply be fitted once the stove has been installed.

Part Code -
AOCSHB
