

# Aarrow Ecoburn Plus 5 Widescreen

Despite still featuring a 4.9kW nominal output, the Ecoburn Plus 5 Widescreen lives up to its name with an extra wide glass. Whilst its flames are the centre of attention, this stove still plays host to all the best features in Arada's Ecoburn range as well as a larger firebox with more space for your fuel.

- **Output** 4.9kW
- **Log length** 380mm
- **Width** 51mm
- **Height** 600mm
- **Depth** 365mm
