Electric Fires

ELLERE DESIGNER INSPIRED FIRES

Ultra efficient 1.4-1.6kW electric fires available in four sizes ranging from 1 to 1.8m wide. These can be installed in multiple configurations, perfect for living areas with a media wall.

Ellere fires come with an RF remote control as standard. This gives control over flame and fuel-bed, timer, brightness and the many multi-colour LED-based flame effects.

1.3metre wide EL130R shown in recessed configuration

Four installation layouts

1

Fully recessed into wall

2

With front right corner visible

3

With front left corner visible

4

Both front corners visible

Fire Pits

Terrace fire pits

Terrace fire pit (small)

Terrace fire pit (medium) shown with optional grill attachment

Complementing our existing Delta fire pits are two new Terrace fire pits.

These are taller and have integrated ash pans making them suitable for use wooden decking.

Terrace fire pit (medium) model has an optional height-adjustable grill attachment which is great for heating smaller foods such as kebabs or prawns.
