### Range of Component Twin Wall Flue Pipe Colour Options:

The new Black finish, which needs to be installed a minimum of 500mm away from the top of your appliance, can be used both internally and externally.

Furthermore, all internal and external components in the Professional XQ™ range can be powder-coated to virtually any colour of your choice.

- New Black finish components and prices are shown below
- Prices for RAL components in a given product order are calculated at:

Stainless steel prices for selected components + 25% surcharge for powder coating + a one-off colour matching charge per order of £199.00 (before tax)\*.

Only one RAL shade may be selected per order. Where components of a second RAL shade are required, these must be ordered separately.

For all RAL coloured pipe there will be a lead time of approximately 28 days. Please contact Stovax FXQ Customer Services on 01392 474040 for further details.

\* Due to the bespoke nature of RAL colour matching, any flue pipe which has been RAL colour matched is non-returnable.

### Range of Component Twin Wall Flue Pipe Colour Options:

The new Black finish, which needs to be installed a minimum of 500mm away from the top of your appliance, can be used both internally and externally.

Furthermore, all internal and external components in the Professional XQ™ range can be powder-coated to virtually any colour of your choice.

- New Black finish components and prices are shown above
- Prices for RAL components in a given product order are calculated at:

Stainless steel prices for selected components + 25% surcharge for powder coating + a one-off colour matching charge per order of £199.00 (before tax)\*.

Only one RAL shade may be selected per order. Where components of a second RAL shade are required, these must be ordered separately.

For all RAL coloured pipe there will be a lead time of approximately 28 days. Please contact Stovax FXQ Customer Services on 01392 474040 for further details.

\* Due to the bespoke nature of RAL colour matching, any flue pipe which has been RAL colour matched is non-returnable.
