HWAM® Autopilot™

BREXIT - Since 1st January 2021 there are additional customs charges.

Please contact your local retailer for up-to-date details.

All models can be installed with either top or back outlet. As standard the stove will be delivered prepared for installation with top outlet, but it can also be ordered prepared for installation with back outlet. In this case the flue spigot will be mounted on the rear side of the stove and a top flue blanking plate will be included. When ordering the HWAM 3700 and HWAM 4100 series please specify, at time of ordering, either top or back outlet. When supplied as back outlet there will be no hole for the top flue connection.

All models are delivered with HWAM® Autopilot™ unless HWAM® SmartControl™ is purchased (see separate price list).
