

Recommended retail price list

£, 16.05.2022

BREXIT - Since 1st January 2021 there are additional customs charges. Please contact your local retailer for up-to-date details.

All models are available in black and grey and can be installed with either top or back outlet. As standard the stove will be delivered prepared for installation with top outlet, but it can also be ordered prepared for installation with back outlet. In this case the flue spigot will be mounted on the rear side of the stove and a top flue blanking plate will be included. All models are delivered with WIKING® Automatic™. With reservation for misprint.
